BRIEFINGS.

—There were four funerals in the city today.

—The young ladies will meet for drill at the Guards armory, Monday afternoon at a quarter before five.

—The Bower City Rifles and Janesville Guards made a splendid appearance on parade yesterday afternoon.

—The people around town are beginning to inquire about when the autumn well will be commenced. The time set in the contract was September 15.

—Mrs. A. Golling received the first premium at the Madison fair for the best cake baked with Andrews Baking powder. The premium is \$10.00 and was given by the company.

—The time of the grand concert of September 21 and 22, draws near and those who have not reserved their seats should do so as a glance over the diagram shows the timely interest that is being taken by the people in this enterprise.

—The home of Mr. and Mrs. Edward J. Howland, 68 North Pearl street, first ward, rejoices in the advent of a little son, being their first born, and Grand Pa Jerome Howland is the happiest man in the city at the present time.

—The proprietor of one of the side shows that has been at the fair during the week felt so good last night that Marshal Hogan wound up by giving him a ride in the patrol wagon. Janesville whisky was too much for him.

—The poultry fanciers of this city are discussing the project of calling a meeting for the purpose of organizing a county poultry society, having for its main object the holding of an exhibition in this city and Beloit the coming winter.

—J. S. Leonard and Watson Benjamin, who raised \$5 bills to \$20 notes and passed them in this city, Beloit and Madison last spring, were sentenced in the United States court at Madison yesterday to seven and a half years in the state prison.

—The story of the "Enchanted Swan" is taken from one of Hans Christian Andersen's fairy tales and is very beautiful set to music by Carl Remick, of the Leipzig conservatory, Germany, who is considered one of the finest of modern composers.

—There was a large attendance this afternoon at the funeral of Mrs. Charlotte Laebke, at the German Lutheran church. The Rev. John Schuler conducted the end services, at the conclusion of which the remains were taken to Oak Hill cemetery for burial.

—Rehearsals of the "Enchanted Swan" and "Cinderella" are going on each evening. The ladies show by prompt attendance their determination to give the people of Janesville a rich treat next Tuesday and Wednesday evenings at Lappin's music hall.

—Last all those who intend to take up the Chautauque course of reading, this year, gather at Mrs. C. T. Wright's, South Jackson street, Monday afternoon, Sept. 20th, at half past four o'clock. Officers for the circle will be chosen and arrangements made for beginning work.

—The funeral of the infant child of Mr. and Mrs. August Benwitz took place from the residence of the grief stricken parents, South Academy street, at two o'clock this afternoon, and was attended by a large number of the intimate friends of the family. The remains were interred in Oak Hill cemetery.

—The funeral of little Ray Wallace Wisch, son of Mr. and Mrs. Herman Wisch, who died yesterday afternoon, was held this afternoon at two o'clock at the house. The little one was laid to rest at Oak Hill cemetery. The bereaved parents have the sympathy of a large circle of friends in their dark hours of sorrow.

—Mr. Ole Oleson, of Lincoln, Minnesota, died this afternoon at three o'clock, at the European hotel. Mr. Oleson's death was occasioned by injuries received in falling from a wagon last Thursday evening. His brother in Minnesota has been notified and is expected to-morrow. The remains will probably be taken to Lincoln for interment.

—A Norwegian named Tobias Egertson was set upon by a rough rascal at the corner of Main and North First streets this afternoon and was quite severely used. He received several cuts about the face and had to be directed to Dr. Henry Palmer's office for repairs. After the fight Marshal Hogan captured a man who is believed to have committed the assault and took him directly to the jail.

—At the regular meeting of Rock River Encampment No. 3, I. O. O. F., held last evening, a large number of visiting Patriarchs from Whitewater were present, and by request the Janesville Odd Fellows conferred the Royal Purple degree upon two candidates from Whitewater Encampment No. 3. The visiting Patriarchs were pleasantly entertained.

—Miss May E. Carrier, of the town of Center, has left at the Gazette office a sample of cake which was awarded first premium at the fair. The cake is very choice and speaks well for Miss Carrier's culinary ability. She also secured the first prize for the best display of cakes and was fortunate in securing a number of prizes in the domestic department.

—Mr. Emmet W. Beyer, of Milwaukee, who plays the violin at the concerts next week, is the soloist of the northwest, and all lovers of that beautiful instrument should hear him. Indeed any one feature of these concerts is well worth the money paid for the whole entertainment and the people of this city should show their appreciation of this fact to the managers who have secured at great expense so many attractions.

—Nels P. Lindgren, residing on Chatham street, first ward, died suddenly, on yesterday afternoon of hemorrhage of the stomach, having been ill only since Tuesday last. Deceased had resided in Janesville for several years, was formerly in the employ of Post & Wilson, as a journeyman tailor, and latterly with Mr. P. Paulson in the same capacity. He was a respected, honest citizen. He leaves a wife—who at the time of his death was in Chicago—and two daughters to mourn his death. Mrs. Lindgren arrived from Chicago on the 1-40 train.

—The Commercial College will open the full course of studies upon Monday, September 20th, Prof. Silbese presiding. In advance of opening already there are an unusual number of full course students now at work. Our course of study is improved so as to interest young men from the day they begin, to graduation. The student enters like a clerk in a great business enterprise and receives his promotions according to merit and advancement in business ability until he has acted in every capacity of business man. All branches in which he may be deficient are given him without additional charge; and at conclusion he receives a diploma, showing his true worth as a business man.

STILL A MYSTERY.

No one seems able to explain the death of Washington Mills.

The reports that have been circulated regarding the intoxication of Washington Mills, the man killed at Afton Thursday night, are indignantly denied by all who know Mr. Mills. He was not a drinking man, and all who saw him as he left Afton three quarters of an hour before the accident are positive that he was perfectly sober.

It is said that he was subject at times to cramps that left him entirely helpless. This is not known to be true but it is proved to be so it may do much to explain the mystery of how he came to be across the rail when the train came. There is no probability that the death resulted from foul play for his money was left untouched in his pocket.

The tramp who was riding on the pilot of the engine at the time of the accident might be able to tell something about it if he could be found. As the train slowed up he climbed back into the cab and said that a man had just been run over. The men in the cab knew this already and told him to stay there until they got back, jumping from the engine as they spoke. When they returned the tramp was gone, leaving inside his way across the fields to a wagon road.

Yesterday Justice Wickham impaneled a coroner's jury consisting of A. Kaufman, O. P. Church, H. A. Watson, Thomas Menden, John Roberts and N. A. Crawford to view the remains of the deceased. The testimony in the inquest will be taken Tuesday.

The funeral services were held today at the home near Afton. The Rev. Mr. G. Hodge, D. D., of this city officiated. Mr. Mills was highly esteemed, in fact, as one of those who had known him for years remarked, probably no man in that vicinity ever lived more true friends.

Funeral.

—Wilbur E. Carle, of the first ward, has returned from Minnesota, where he has been superintending the harvest on his farm.

—Mr. and Mrs. Howard W. Titton, who have been visiting in the city for a week past will spend Sunday in Milwaukee, as guests of Mr. Titton's brother.

—David Porter, son of D. C. Porter, of Fontana Park, General Lake, is visiting in this city. He looks as though running a summer resort was a profitable business.

—Mrs. Will Webster, of Ripon, who has been visiting her father, Mr. Alfred Hocking, North Bluff street, second ward, and family for a few weeks past, returned home today.

—Mr. Fred M. Cronin is in the city shaking hands with old friends. He has just returned from Boston, his present home. He will return on Monday, accompanied by his wife, who has been visiting in the city two weeks.

—Dr. J. S. Laue, of Chicago, is spending a few days in the city, the guest of Mr. and Mrs. Shellen, of the fourth ward. The doctor remembers Janesville as a frontier town, back in the early part of the forties. He has resided in Chicago since the close of the war.

—The Milton and Brodhead cornet bands presented a very handsome appearance. The former organization was headed by J. B. Hayner of this city who is a student at Milton college.

—Mrs. C. A. Hunt returned from Minnesota this morning. She spent about ten days with Mr. and Mrs. H. S. Hager, at the farm near Campbell, and about a week with her daughter, Miss Nellie Hunt, who is connected with the school in Northfield, Minn. She reports a pleasant visit and is ready for her school which opens Tuesday morning the 21st inst.

—Mr. Cyrus Miner, treasurer of the State Agricultural society, will go to Milwaukee on Monday, to attend to the duties of his office at the state fair. Mr. Miner will take with him as assistants, Messrs. Stanley B. Smith, J. C. Brownell, E. B. Hammett, R. L. Colvin, Frank Hazleton and Chas. Atwood, of this city, and Willie Gordon, of Beloit. Mr. S. B. Kenyon goes as an assistant to the department of agriculture, and Mr. Geo. R. Little assistant in the gate department. All will be absent during the week.

There is a simple way to make washing and cleaning very easy. Use Fairbank's Soap.

The Weather.

At seven o'clock this morning the thermometer indicated 47 degrees above zero. Partly cloudy with south wind. At one o'clock p. m. the register was 73 degrees above zero. Partly cloudy with southeast wind. For corresponding hours one year ago the register was 63 and 80 degrees above zero.

THE LAST DAY.

Rock County's Fair of 1886 Ends Better than it Began.

Governor Rusk and Phil Cheek Speak to a Large Crowd—The Races.

Items in General.

Long before Governor Rusk's carriage drove out on the track yesterday afternoon the grand stand was crowded. Over in one end were gathered most of the 13th regiment veterans, and before the speaking commenced they made the grounds ring with their cheers at some of the stories that were sent around. When the governor and his party came into the stand they were at once surrounded and the master of ceremonies had hard work to get them away. They finally stepped into their carriage and Dr. Palmer in a few words announced Governor Rusk "our leader and comrade."

The governor's speech was short. He said that he was always glad to meet the soldiers whether at an agricultural fair, a banquet or in war. To them the country owed a debt it could never repay. And to the farmers it was the same. When the war broke out Wisconsin was a new state and people coming here to develop a wild country. Now there are five hundred and seventy five million dollars invested in farming alone, this being two hundred million more than in all the other industries in the state. Over half of the population is engaged in this pursuit. The farmers are both the capitalists and the laborers of this country, and I want to say now," remarked the speaker, "if I am anything I owe it to the education that I received on the farm." He thought the farmers were the ones who would be called upon to settle the differences between labor and capital, for both of these elements are represented among them. "I won't speak to you any longer now," continued the governor, "but I have

A CHERRY FRIEND here who will."

Past Grand Commander Cheek, thus unceremoniously called upon, arose with the remark that he guessed he would tell a story on the 13th. "You know" he began, "that nearly all of the men in that regiment are bald headed. Well, the way it happened was this. When they went to the war they each left a lock of hair for their best girl. After each battle they sent back another lock of it in an envelope to show that they were still alive. When they got back from the war they were married and ever since then those curls have been helping themselves." "The rest of the story was lost in a roar of laughter."

Up in the veteran's corner of the grand stand the members of the regiment held a business meeting, at which officers for the next year were elected. They were: President, Captain O. N. Randall, of Brodhead; secretary, W. F. Clarke, of Milton; executive committee, Charles W. Stark, B. A. Anderson, and J. W. Dranson. The next annual reunion will be held at Clinton. Those who were present at this one were:
